

COOLOOLA CHRISTIAN COLLEGE

ANNUAL FEE SCHEDULE 2018

The total fee consists of 4 components: Tuition, Beyond the Classroom Levy, Resources levies and Building Fund donations. All compulsory camps and excursion charges will be incorporated in the above components. This means that parents generally will not be asked for additional fees for excursions and activities throughout the year.

TUITION FEES

These are to cover the general costs of educating students. The increases from Primary to Junior Secondary and Senior College are due to the use of additional resources and staffing in the higher grades.

Our aim is to make quality Christian education as accessible as possible for all families who choose this type of education for their children. Very generous sibling discounts are available on the tuition fee component of fees to assist families with multiple enrolments. These discounts do not apply to the other charges and levies.

BEYOND THE CLASSROOM LEVY

This is to cover costs that are incurred on class camps, curriculum excursions and other activities such as visiting groups and educational displays.

RESOURCE AND TEXT HIRE

The College operates a textbook & resources scheme whereby students are supplied with most required text books & resources. With the consent of parents, the College will collect the government textbook & resource allowance to assist in the purchase of the textbooks and resources.

RESOURCES LEVY

This levy covers the costs incurred over and above those covered by tuition fees. Work books, consumables, diary and general subject levies are incorporated in this levy.

STUDENT ACCIDENT INSURANCE

Each student is covered under the College's student accident policy for events as listed in the policy schedule for 24 hours, 365 days per year. Our policy protects students all day, every day of the year.

LOCKERS

A locker will be allocated to students once they progress into Grade 7 or their enrolment is confirmed for entry into a secondary grade. A replacement key fee of \$15 will be charged if the key is lost. A padlock replacement fee of \$40 will be charged where a padlock must be replaced.

BUILDING FUND DONATION (TAX DEDUCTIBLE)

The College is only funded to a limited extent by State and Federal Governments for the provision and upkeep of school buildings. We rely on donations to the School Building Fund to contribute to the provision of facilities and repayment of loans.

A suggested annual donation is \$120 per family. The donation would be appreciated in one amount or four equal installments of \$30.00. If the donation is not paid the balance carried forward on subsequent statements will not include the unpaid Building Fund donation.

METHODS OF PAYMENT

Fees and levies are charged at the commencement of each term and are payable within 14 days of the date of the start of term, unless arrangements have been made with the business office for periodic payments.

Accounts may be paid by any of the following methods:

Cash / Cheque / Credit Card / Debit Card / EFTPOS / BPAY / Direct Debit – please obtain forms from office.

TERMINATION OF ENROLMENT

One terms written notice to the Principal is required on termination of enrolment. Where one terms written notice is not given the next terms fees will be payable.

The technology levy is an annual fee which goes a long way in covering the high cost of support and staying abreast of technological requirements of the curriculum in education. This fee also includes subscriptions to curriculum required applications.

Enrolment Application Fee \$55

Non-refundable fee payable on application.

Rationale for Fee Increases

Fee increases have historically been based on CPI for Education figures:

(<http://www.abs.gov.au/ausstats/abs@.nsf/mf/6401.0>), with consideration for additional marginal increases due capital expenditure.
